|                                                                                                                                                                                                                                                                                                                                                                                                |                                                                                                                                                     |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>Our QIK 9201 Modular Organizer System allows you to configure multiple variants of layouts to best suit your needs.</p> <p>The QIK 9201 TOTE has <b>116mm</b> of usable space. Our Trays and Modules are designed to fill that space neatly.</p> <p>Each Tray or Module description includes its “length” to allow you to determine which tray or module combination will work for you.</p> |                                                                                                                                                     |
| 9201-10 58mm 1x5 Tiny Box Module                                                                                                                                                                                                                                                                                                                                                               | The 10 can be used in a number of combinations including up to 2 in a single TOTE. It will accommodate and comes with 5 each of the QIK Tiny Boxes. |
| 9201-11 58mm 1x1 Open Module                                                                                                                                                                                                                                                                                                                                                                   | The 11 can be used in a number of combinations including up to 2 in a single TOTE.                                                                  |
| 9201-12 116mm 1x1 Open Module                                                                                                                                                                                                                                                                                                                                                                  | The 12 fits neatly into the QIK 9201 Tote providing a single compartment for parts.                                                                 |
| 9201-039 39mm 1x1 Open Module                                                                                                                                                                                                                                                                                                                                                                  | The 039 is designed to be used 3 per tote providing 3 medium size areas.                                                                            |
| 9201-029 29mm 1x1 Open Module                                                                                                                                                                                                                                                                                                                                                                  | The 029 is designed to be used 4 per tote providing 4 medium size areas.                                                                            |
| 9201-145 145mm 1x1 Open Module                                                                                                                                                                                                                                                                                                                                                                 | The 145 is designed to be used with one 10 or 11. This option provides an area for even larger parts while using a 10 or 11.                        |
