

Team QIK Racing presents... (<https://teamqik.com/racing>)

The “Zero-Mod” Bandit Wingless Sprint Class

(v23.06.27.05)

-
- If you CRASH a lot and/or tend to CRASH hard, this class is **NOT** for you.
 - If you are a beginner racer, then this class is **NOT** for you, try FUTURE CHAMPS or NOVICE class.
 - If you tend to “bend” or break the rules, then this class is **NOT** for you!
 - If you enjoy great head-to-head, affordable, racing with great camaraderie, then this **is** the class for you!
-

CHASSIS... Traxxas 2wd Bandit Chassis

NOT in the BOX... or on this list, then it is NOT allowed

SKILL LEVEL SEPARATIONS... via Qualifying Only

RULE 13: *SPIRIT of the RULEs rule...* if it’s not in the “spirit” of the rules, it is NOT allowed

UNLISTED and NON-SPECIFIC RULES

If it's not specifically listed in the rules, then it's likely not allowed. Our rules are NOT here for you to work the gaps or push the limits. It's easy, the Race Director and/or Race Promotor and/or Track Manager, and/or I (Randy Novak), can DQ anyone at any time for "outside the intent of the rule's" shenanigans.

LISTED and SPECIFIC ALLOWED OPTIONS:

TIRE / Wheels

- Any Buggy Wheel
- Traxxas Bandit Stock Wheels and Tires (or variations offered by Traxxas)
- Traxxas Anacondas

Traxxas Aluminum and upgrade/option parts... if the first 4 numbers of the upgrade/option part matches the original part number, then it is allowed. This is better known as the MSM rule!

3636 steering blocks

3632 caster blocks

2532 tie bar, fiberglass

TRACK MANAGED EXCEPTIONS:

Each Track may adopt ONE Tire to be added to the standard Tire list if the Track so desires. The allowed Tire list must be posted where they can be easily found. ie... PINNED to the Track's FB page and/or the Track's related Drivers FB page and/or the Track's Website.

Track Managed TIRE RULE:

Each Track may add ONE Tire rule of their choice as long as...

- Such Tires fit standard 2wd Buggy Wheels and are easily and readily available for public purchase.
- The track always maintains a reasonable inventory of such tires for local and traveling racers to purchase.
- If the Track does not have a direct related hobby shop, then the tires in question **MUST** be available at AMAIN hobbies.
